

## I Wish I had Freckles Like Abby – TumbleBooksToGo

### Description

TumbleBooks goes mobile!

I Wish I had Freckles Like Abby, written by Kathryn Heling and Deborah Hembrook, and illustrated by Bonnie Adamson – from TumbleBooks!!

TumbleBooksToGo is excited to offer a classic animated picture book in one convenient app for only \$1.99.

I Wish I Had Freckles Like Abby Published by Raven Tree Press Rosa wants freckles just like her friend Abby. How can she get them? Maybe chocolate pudding will do the trick! How about some mud puddle dots? Big sister's makeup? Rosa comes to realize that she might have something that is just as good as the longed-for freckles.

TumbleBooks are animated, talking picture books that feature text, narration, animation, and sentence highlighting! They make reading accessible and fun in a format kids will love!!

It will transform your child's reading, and keep them engaged in a fun and mobile reading experience. Read TumbleBooks in the car, on a plane, even standing in line, or just relaxing at home – there will soon be hundreds more low-cost TumbleBooks available at the tips of your fingers!

TumbleBooks is the leading publisher of online interactive animated picture books for children. Tumblebooks have been enjoyed by children for over ten years and currently distributed through over 10,000 schools and libraries across North America. TumbleBooks are created from existing picture books from North America's biggest and best children's publishers such as Chronicle Books, Charlesbridge Press, Annick Press, Simon and Schuster, and many others!
